Second Annual American Conference on Pediatric Cortical Visual Impairment

Children's Hospital & Medical Center
Glow Auditorium, Third Floor
8200 Dodge St. Omaha, Nebraska

Reception to follow

We know children.

FRIDAY, APRIL 12, 2013
7:30 A.M. TO 5 P.M.

Reception immediately following conference
5 to 6 p.m.

Research Forum Saturday, April 13
8 to 11 a.m.

PROGRAM GOAL

The American Conference on Pediatric Cortical Visual Impairment brings together professionals in ophthalmology, optometry, occupational therapy and visual educational psychology to increase the understanding of the definition, diagnosis and management of cortical vision loss in children

CONFERENCE OBJECTIVES

Participants will be able to:

1. Define pediatric cortical visual impairment (PCVI).
2. Describe the diagnostic criteria utilized in occupational therapy, teachers of the visually impaired, optometry and ophthalmology.
3. Discuss the management and treatment techniques utilized in occupational therapy, teachers of the visually impaired, optometry and ophthalmology.
4. Demonstrate problem-solving strategies when evaluating the new PCVI patient.
5. Develop a multidisciplinary approach to the newly diagnosed PCVI patient.
6. Network with professionals in related medical and educational disciplines who can serve as resources for improved vision care for PCVI patients.
7. Identify the causes of PCVI.
8. Discuss research topics which further the knowledge base of PCVI.

TARGET AUDIENCE

Optometrists, ophthalmologists, pediatric neurologists, occupational therapists, occupational therapy assistants and vision teachers

REGISTER

Register online at www.ChildrensOmaha.org
or call 800-833-3100
