

FRIDAY, JUNE 26 – SATURDAY, JUNE 27, 2015

2015 American Conference on Pediatric Cortical Visual Impairment

**Marriott Regency, Omaha
10220 Regency Circle
Omaha, NE 68114**

We know children.

PROGRAM GOAL

The American Conference on Pediatric Cortical Visual Impairment brings together occupational therapists, ophthalmologists, optometrists, teachers of the visually impaired, neurologists, pediatric intensivists, physiatrists and parents to increase interdisciplinary understanding of cortical visual impairment in children.

TARGET AUDIENCE

Occupational therapists, occupational therapy assistants, ophthalmologists, pediatric ophthalmologists, neuro-ophthalmologists, neuro-optometrists, optometrists, teachers of the visually impaired, pediatric neurologists, pediatric intensivists, pediatric physiatrists and parents.

REGISTRATION AND COSTS

Register online at www.ChildrensOmaha.org/upcomingconferences or call 402.955.6070.

Registration costs are for both days. Registrants are invited to attend as many sessions as they can. Prorated registration for single-day attendance will not be permitted.

Physicians, optometrists: \$160

Occupational therapist: \$135

Teachers and others: \$95

Residents/students/parents: \$50

ACCOMMODATIONS

A block of rooms has been reserved at the conference hotel at a rate of \$109 per night. For reservations, call 402.399.9000 and mention the Children's Hospital & Medical Center PCVI conference.

CONFERENCE OBJECTIVES

Participants will be able to:

1. Describe the medical conditions associated with CVI in children.
2. Discuss Dr. Roman's CVI Range and Interventions.
3. Advocate for children with CVI on an individual level, and with regard to government agencies.
4. Incorporate CVI intervention into the Individualized Educational Plan.
5. Explain alternative optometric concepts for clinical evaluation and application to CVI.
6. Review the scientific foundation of the reliability of the CVI Range.
7. Incorporate orientation and mobility strategies specific to pediatric CVI.
8. Differentiate and relate pediatric CVI to optic nerve hypoplasia syndrome.
9. Discuss and improve understanding of reading development in pediatric CVI.
10. Prioritize scientific research questions specific to pediatric CVI.
11. Discuss the formation of a pediatric CVI study group.
12. Specialize discussions within breakout groups for optometry, occupational therapy and teachers of the visually impaired.
13. Discuss the formation of the Pediatric Cortical Visual Society Reference Repository
14. Experience a CVI Phase III simulation.
15. Participate in the Pediatric Cortical Visual Impairment Society business meeting.
16. Investigate options for further improvements in future meetings regarding pediatric cortical visual impairment.

2015 American Conference on Pediatric Cortical Visual Impairment

FRIDAY, JUNE 26 – SATURDAY, JUNE 27, 2015

COURSE DIRECTOR

Richard H. Legge, MD

Neuro-ophthalmology and Pediatric Ophthalmology
Assistant Professor, Ophthalmology and Visual Sciences,
UNMC College of Medicine
Omaha, Nebr.

COURSE FACULTY

Tanni Anthony, PhD

Supervisor of Low Incidence
Disabilities
Exceptional Student Leadership Unit
Colorado Department of Education

**Curtis R. Baxstrom, MA, OD,
FCOVD, FNORA**

Adjunct Faculty, Pacific University
College of Optometry
Vice President, Neuro-Optometric
Rehabilitation Association
Staff, Good Samaritan and
St. Joseph's Hospital

Mark Borchert, MD

Associate Professor of Clinical
Ophthalmology and Neurology
The Vision Center, Children's
Hospital Los Angeles
Los Angeles, CA

Lindsey Hillier

Manager of Training and Quality
Assurance
Blind-Low Vision Early Intervention
Program
Surrey Place Centre, Toronto, ON

Nicole Hooper, OD

Visiting Assistant Professor
University of Houston College of
Optometry

Alan Lantzy, MD

Vice Chairperson, Department of
Pediatrics
Neonatologist
Western Pennsylvania Hospital and
Forbes Regional Hospital
Pittsburgh

Sharon S. Lehman, MD, FAAP, FAAO

Chief, Ophthalmology
Nemours Children's Clinic-
Wilmington/Al duPont Hospital for
Children
Robison D. Harley MD Endowed
Chair of Pediatric Ophthalmology
Clinical Professor of Ophthalmology
and Pediatrics
Jefferson Medical College
Assistant Surgeon Wills Eye Hospital

Sandra Newcomb, PhD

Faculty Research Associate; Special
Education Program
Counseling, Higher Education, and
Special Education (CHSE)
University of Maryland

Christine Roman Lantzy, Ph.D.

Director, Pediatric View Program,
The Western Pennsylvania Hospital
CVI Consultant, The American
Printing House for the Blind
Educational Consultant
Pittsburgh, PA

Jacy VerMaas-Lee, MA, OTR/L

Assistant Professor of Occupational
Therapy
Creighton University School of
Pharmacy and Health Sciences
Omaha, Nebraska

Alisha Waugh, PT

Owner, Fundamentals First, Inc.
Therapy
Orientation & Mobility Graduate
Student

GENERAL INFORMATION

- Seating is limited-please register early!
- Registration deadline June 19, 2015.
- Refunds will be issued for written cancellations received prior to June 19, 2015. No refunds after June 19. Learner substitution is permitted.
- Dress in layers for your comfort.
- Please do not bring any children to the conference.
- Emergency contact during the conference: 402.888.8321.
- With questions regarding research forum, registration, special dietary needs or other accommodations contact 402.955.6070.
- Free on-site parking available.

In the unlikely event this event is cancelled, registrants will be notified by email and issued a refund.

CEU

Accreditation Statement

Children's Hospital & Medical Center is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians.

CME statement

Children's Hospital & Medical Center is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians. Children's Hospital & Medical Center designates this live activity for a maximum of ten and one-half (10.5) *AMA PRA Category I Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Occupational Therapy

Children's Hospital & Medical Center is an approved AOTA Single Course Provider of Continuing Education. Children's Hospital & Medical Center is authorized to assign 1.05 AOTA CEUs for 2015 American Conference on Pediatric Cortical Visual Impairment from June 26-27, 2015. *The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA.*

Optometry

Please discuss CEs for your state with Continuing Medical Education Coordinator Sara Olsen.

Vision Teachers

This program has been approved by the Academy for Certification of Vision and Rehabilitation & Education Professionals for 10.5 CE credits for the purpose of recertification.

ADA statement

Children's Hospital & Medical Center supports the Americans with Disabilities Act (ADA). We will make all reasonable efforts to accommodate persons with disabilities. Please call (402) 955-6070 if special arrangements are needed.

Disclosure statement

Children's Hospital & Medical Center's medical education policy requires independence and objectivity for all educational activities. All faculty and planning committee members are expected to disclose any significant relationships or financial interests to the planning committee and audience.

2015 American Conference on Pediatric Cortical Visual Impairment

FRIDAY, JUNE 26 – SATURDAY, JUNE 27, 2015

COURSE AGENDA

Friday, June 26, 2015

		3:15-3:30 p.m.	Break
7:00-7:45 a.m.	Continental Breakfast	3:30-4:10 p.m.	Optic Nerve Hypoplasia and Pediatric CVI <i>Mark Borchert, MD</i>
7:40-7:45 a.m.	Welcome Pediatric CVI 101: The Beginner's Course <i>Moderated by Lindsey Hillier</i>	4:10-4:50 p.m.	Reading Development in Pediatric CVI <i>Curtis Baxstrom, OD</i>
7:45-8:05 a.m.	The Causes of Pediatric CVI <i>Alan Lantzy, MD</i>	4:50-5:25 p.m.	Panel Q & A
8:05-8:30 a.m.	The CVI Range <i>Christine Roman, PhD</i>	5:30 p.m.	Adjourn Dinner on your own
8:30-9:00 a.m.	The CVI Approach <i>Christine Roman, PhD</i>		8.25 hours CEU
9:00-9:30 a.m.	Advocating for Children with CVI <i>Sharon Lehman, MD</i>		
9:30-10:05 a.m.	PCVI and the Individualized Educational Plan (IEP) <i>Christine Roman, PhD and Lindsey Hillier</i>		
10:05-10:30 a.m.	Q & A with panelists from morning presentations		
10:30-10:40 a.m.	Break		
10:40-11:20 a.m.	Alternative Concepts for Clinical Evaluation in Optometry and Application for CVI, part I <i>Nicole Hooper, OD</i>		
11:20 a.m.-noon	The Reliability of the CVI Range <i>Sandra Newcomb, PhD</i>		
Noon-1:00 p.m.	Lunch		
1:00-1:40 p.m.	One Journey Through CVI: Maryn's Story <i>Sandra Newcomb, PhD</i>		
1:40-2:20 p.m.	Alternative Concepts for Clinical Evaluation in Optometry and Application for CVI, part II <i>Nicole Hooper, OD</i>		
2:20-3:00 p.m.	Introduction to Orientation and Mobility Training in Pediatric CVI <i>Tanni Anthony, PhD</i>		
3:00-3:15 p.m.	Panel Q & A		

Saturday, June 27, 2015

7:00-8:00 a.m.	Continental Breakfast
8:00-9:30 a.m.	Challenges & Opportunities Parents: Moderated by Pierce and Waugh Scientific: Moderated by Borchert OD: Moderated by Dietz-Pillen TVI: Moderated by Hilligoss OT: Moderated by VerMaas-Lee
9:30-10:00 a.m.	Session Briefings for Large Groups Moderators
10:00-10:15 a.m.	Break
10:15-10:55 a.m.*	Key Strategies in Orientation and Mobility for PCVI <i>Tanni Anthony, PhD</i>
10:55-11:55 a.m.*	Short Presentations: The PCVIS Reference Repository, <i>Richard Legge, MD</i> CVI Phase III Simulation, <i>Alisha Waugh</i>
12:00-12:30 p.m.*	Conference Review & Complete Evaluations <i>Richard Legge, MD</i>
12:30	Adjourn/lunch on your own
1:30-2:30 p.m.	Optional: Pediatric Cortical Visual Impairment Society Business Meeting 2.25* hours CEU
