PROGRAM GOAL
The American Conference on Pediatric Cortical Visual Impairment brings together occupational therapists, ophthalmologists, optometrists, teachers of the visually impaired, neurologists, pediatric intensivists, physiatrists and parents to increase interdisciplinary understanding of cortical visual impairment in children.

TARGET AUDIENCE
Occupational therapists, occupational therapy assistants, ophthalmologists, pediatric ophthalmologists, neuro-ophthalmologists, neuro-optometrists, optometrists, teachers of the visually impaired, pediatric neurologists, pediatric intensivists, pediatric physiatrists, physical therapists, orientation and mobility specialists, and parents.

ACCOMMODATIONS
A block of rooms has been reserved at Marriott Regency at a rate of $109 per night. For reservations, call 402.399.9000 and mention the Children’s Hospital & Medical Center vision conference.

REGISTRATION AND COSTS
Register online at ChildrensOmaha.org/ContinuingEd
Registration costs are for both days. Registrants are invited to attend as many sessions as they can. Prorated registration for single-day attendance will not be permitted.
Physicians, optometrists: $160
Occupational therapist: $150
Teachers and others: $125
Residents/students/parents: $75

CONFERENCE OBJECTIVES
1. Discuss the challenges and successes experiences by professionals and families as they support a child with CVI from birth through Phase III.
2. Describe a province-based CVI reporting system in Canada.
3. Define literacy and how it applies to the CVI population and discuss strategies for improving literacy in children with CVI.
4. Identify Zika Virus as a new cause of CVI.
5. Assess two-dimensional image recognition in children with CVI, determine appropriate visual learning media, and provide direct instruction in salient features through use of a case study.
6. Recognize changes in vision following removal of half of the brain cortex.
7. Discuss the principles of Constraint Induced Movement Therapy (CIMT) and Bimanual Therapy.
8. Describe the effect of a high functioning patient with CVI on parents and teachers.
10. Discuss the use of telehealth as a vehicle for improving access to care for children with CVI.
11. Describe a method by which eye care providers can incorporate CVI assessment in clinical practice.
12. Discuss barriers and success strategies for achieving educational goals for a child with CVI.
13. Describe advocacy techniques for specialized intervention.
2017 American Conference on Pediatric Cortical Visual Impairment
FRIDAY, JUNE 9 – SATURDAY, JUNE 10, 2017

COURSE DIRECTOR
Richard H. Legge, MD
Neuro-ophthalmology and Pediatric Ophthalmology
Assistant Professor, Ophthalmology and Visual Sciences,
UNMC College of Medicine

GENERAL INFORMATION
• Seating is limited-please register early!
• Registration deadline June 2, 2017.
• Refunds will be issued for written cancellations received prior to June 2, 2017. No refunds after June 2, 2017. Learner substitution is permitted.
• Dress in layers for your comfort.
• Please do not bring any children to the conference.
• Emergency contact during the conference: 402.888.8321.
• With questions regarding research forum, registration, special dietary needs or other accommodations contact 402.955.6070.
• Free on-site parking available at the hotel. Shuttle transportation provided to and from conference.

In the unlikely event this event is cancelled, registrants will be notified by email and issued a refund.

CEU
Accreditation Statement
Children’s Hospital & Medical Center is accredited by the Nebraska Medical Association Commission on Medical Education to provide continuing medical education for physicians.

CME statement
Children’s Hospital & Medical Center designates this live activity for a maximum of eight and one quarter (8.25) AMA PRA Category I Credits™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Occupational Therapy
Children’s Hospital & Medical Center as an AOTA Approved Single Course Provider of continuing education. Children’s Hospital & Medical Center is authorized to assign 0.8 AOTA CEUs for American Conference on Cortical Visual Impairment from June 9-10, 2017. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA.

Optometry
This course has been accredited for 8.25 total hours of Continuing Education credit (in three segments) by the Association of Regulatory Boards of Optometry Council on Optometric Practitioner Education.

Vision Teachers
This program has been approved by the Academy for Certification of Vision and Rehabilitation & Education Professionals for 8.25 CE credits for the purpose of recertification.

ADA statement
Children’s Hospital & Medical Center supports the Americans with Disabilities Act (ADA). We will make all reasonable efforts to accommodate persons with disabilities. Please call 402.955-6070 if special arrangements are needed.

Disclosure statement
Children’s Hospital & Medical Center’s medical education policy requires independence and objectivity for all educational activities. All faculty and planning committee members are expected to disclose any significant relationships or financial interests to the planning committee and audience.

COURSE FACULTY

Matthew Tiejen, M.Ed., Teacher of Students with Visual Impairments
Bureau of Education and Services for the Blind
Department of Rehabilitation Services
Windsor, CT

Gunjan Rastogi-Wilson, MSN, CRNP
Tri-County Pediatrics
Elkins Park, PA

Rebecca Davis, MFA
Advocate and Parent

Alisha Waugh, PT, COMS
Owner, Fundamentals First, Inc. Therapy
Certified Orientation & Mobility Specialist

Cullen Waugh
Advocate and Parent

Karen Harpster, PhD, OTR/L
Director of Occupational Research
Department of Occupational Therapy and Physical Therapy
Cincinnati Children’s Hospital Medical Center

Matthew Tiejen, M.Ed.
Teacher of Students with Visual Impairments
Bureau of Education and Services for the Blind
Department of Rehabilitation Services
Windsor, CT

Sandra Newcomb, PhD
Faculty Research Associate
Special Education Program
Counseling, Higher Education, and Special Education (CHSE)
University of Maryland

Lindsay Hillier, M.Ed.
Manager, Training and Quality Assurance
Blind-Low Vision Early Intervention Program
Surrey Place Centre
Toronto, Ontario

Matthew Tiejen, M.Ed.
Teacher of Students with Visual Impairments
Bureau of Education and Services for the Blind
Department of Rehabilitation Services
Windsor, CT

Gunjan Rastogi-Wilson, MSN, CRNP
Tri-County Pediatrics
Elkins Park, PA

Rebecca Davis, MFA
Advocate and Parent

Alisha Waugh, PT, COMS
Owner, Fundamentals First, Inc. Therapy
Certified Orientation & Mobility Specialist

Cullen Waugh
Advocate and Parent

Niranjan Pehere, MD
Pediatric Ophthalmologist, L.V. Prasad Eye Institute,
Kode Venkatadri Chowdary campus,
Vijayawada, Andhra Pradesh, India

MaryAnne Roberto, CTVI
Teacher of the Visually Impaired
BARC Developmental Services
Holicong, PA
